Think like a Geographer

What local landmarks can you identify?

What is the Geography outside my window?

Geography to include:

- Map of your local area – do not give me your address just the name of the local area e.g. Oakridge, Chineham.
- What places are located to the north, east, south and west of your local area?
- Describe what these places look like – I do not know Basingstoke!

What is the Geography outside my window?

Geography to include:

- What geographical issues are impacting the places you have identified?
- Think about the geographical topics we study in geography. Ideas might include:
 - *Building of new houses.*
 - *Local deforestation.*
 - *Old mining site that is now a lake.*
 - *Expansion of shopping areas.*
 - *River flooding.*
 - *Ageing population.*
 - *Social impacts – contrast between provision of shops, cultural opportunities, lack of facilities for young people.*
