

Secondary Geography Network 2025-26

Empowering subject leaders – shaping the future – building connections

With the **DfE's Curriculum and Assessment Review** set to be published this autumn, there has never been a more important time to be part of a strong, forward-thinking geography network. The Hampshire Secondary Geography Network offers **three high-impact leadership events** across the academic year – designed to equip you with the insight, tools, and connections to lead the subject in what will be an interesting year ahead!

Key themes for 2025-26

- Implementing [Hampshire Ordinarily Available Provision guidance](#) to support quality first teaching.
- Structuring Key Stage 3 and 4 for strong progression and transition from Key Stage 2-5.
- AI in geography.
- Enhancing subject-specific sequencing and curriculum design.
- Developing literacy in geography.

Why join the Hampshire network?

- **Stay ahead of national changes** – understand and respond to the DfE's 2025 Curriculum and Assessment Review.
- **Grow expertise** – engage in strategic CPD that deepens subject knowledge and pedagogy.
- **Drive progress for all** – explore approaches that support excellent outcomes for every student, including those with SEND and disadvantaged pupils.
- **Connect and collaborate** – build relationships across schools and share best practice that strengthens our network of schools in Hampshire.
- **Lead with purpose** – strengthen your subject leadership in ways that reflect your school's unique context.
